

GloBox A/B Test Analysis

Comparison of Conversion Rate and Average Total Spend: Analyzing Test Group Disparities and Expenditure ..	Dipicting Key Metrics Relationship with User Device and Gender: Exploring Conversion Rate and Ave..	Explore Test Metrics' Links to User Country: Illustrate Conversion Rate, Average Total Spend, and Top N Co..	Confidence Intervals: Differences in Conversion Rate and Average Total Spending Among Groups.	Novelty Test: Metric changes over time, with a potential novelty effect impacting launch decisions.	Power Analysis: Sample Size, Minimum Detectable Effect, Practical Significance, and Expecte..
--	---	--	---	---	---

Test Group Comparison

Total Spent Distribution by Group

GloBox A/B Test Analysis

Comparison of Conversion Rate and Average Total Spend: Analyzing Test Group Disparities and Expenditure ..	Depicting Key Metrics Relationship with User Device and Gender: Exploring Conversion Rate and Ave..	Explore Test Metrics' Links to User Country: Illustrate Conversion Rate, Average Total Spend, and Top N Co..	Confidence Intervals: Differences in Conversion Rate and Average Total Spending Among Groups.	Novelty Test: Metric changes over time, with a potential novelty effect impacting launch decisions.	Power Analysis: Sample Size, Minimum Detectable Effect, Practical Significance, and Expecte..
